Service Summary

Property for Sale Review

Don't think your customer's property is for sale?

A borrower or homeowner may "silently" list their residential construction property for sale prior to completing construction. In fact, a recent review of one client's portfolio resulted in the discovery of over 7% of their client's properties listed for private sale. Trinity can help. Let us find out right away if properties are listed so you can protect yourself from fraud and unwanted hassle.

Property for Sale Reports include:

- 72-hour property status verification turnaround
- Thorough investigation via nationwide database lookup and drive-by evaluation
- Available online 24/7 via our secure online network
- Personalized service
- Expert team of evaluators
- Nationwide team

Property For Sales Reports, Estimate-to-Complete Analysis and Foreclosure Assessments are a part of the Trinity Troubled Asset Management Services which are offered to minimize financial loss on unfinished, non-performing new construction properties.
